Pelsall Pirates Before and After School Club

Dear Parent / Guardian,

As part of the school's support for working parents and their children, we offer a not-for-profit before and after school club. Currently, the club is not financially sustainable; therefore, we have had to review the fee structures and offer.

In line with the fee structures of local schools, the following fees will apply from 1st October 2025.

Breakfast Club

A single fee will now apply

07:30 to 08:45 - £5.00 (including a breakfast of cereal, fruit and toast)

After School Club

3:15 to 5:00pm - £6.00 (including drink and snacks)

3:15 to 5:30pm - £11.50 (including a meal) - This option must be booked weekly in advance on Scopay to allow the minimum of two staff members to be organised. We will keep this fee under review, such that, it there is increased demand we may be able to reduce this charge in the future.

Mrs Sweet is the new Co-ordinator for Pelsall Pirates, who will keep you informed of developments for the before and after school club, including new activities that will be offered to children attending to enhance their enjoyment and wellbeing.

We appreciate that the cost living is difficult at this time; however, as a school we have faced significant increased costs that have affected the viability of this important provision. We want to take this opportunity to improve the club and ensure its long-term viability.

Yours sincerely,

C Britton
