Welcome to your

READY TO LEARN PASSPORT!

What is the Passport?

Your summer passport is a special booklet filled with a variety of fun activities and challenges for your child to enjoy throughout the summer. These activities are designed to be both engaging and educational, supporting learning and development across a range of areas, including:

- Developing independence
- Playing and socialising
- Eating and drinking
- Reading and writing
- Speaking, listening and understanding
- Building confidence and a love of learning

How Does It Work?

Receive the Passport: Now you have received you child's passport read through and familiarise yourself with local activities, hints and tips. You can either book onto activities or just turn up. Take a look at the activity timetable page for more information.

Complete Activities: Throughout the summer, your child can choose from a wide range activities listed in the passport. Each activity is not only fun but also focuses on a key area of development for your child. Upon completion, each activity earns them a stamp.

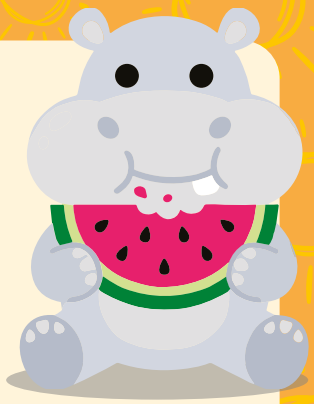

Track Progress: As your child completes activities, they can track their progress in the passport. This keeps them motivated and provides a sense of accomplishment.

Celebrate Achievements:
When you register for your child's passport, you'll automatically receive a 'Ready to Learn' bag and be entered into a prize draw to win a balance bike or scooter.

Why Take Part?

Keep Learning Fun: The activities are designed to be enjoyable and engaging, making learning a fun part of your child's summer.

Prepare for School: By participating in educational activities, your child can learn new skills, gain new experiences, and be introduced to key concepts they can further develop when they start school.

Support for You: The activities and information shared with you will help you understand how to support your child in becoming ready for school and inform you about the services available to assist you throughout this journey.

Family Involvement: Many activities are designed to be done with family members, providing a great opportunity for quality time together.

We believe the Summer Adventure Passport will be a valuable tool in helping your child become more ready for school while having a productive and enjoyable summer. We encourage you to support and participate in this initiative, making it a memorable experience for your child.
